- Hotel Allocation

This guide offers stakeholder representatives a clear and comprehensive reference to ensure a well-organised and enjoyable stay in Senegal during the Youth Olympic Games Dakar 2026.

2. GENERAL ACCOMMODATION INFORMATION

Dakar 2026 has secured more than 5,000 rooms in 3*, 4* and 5* hotels located in Dakar, Diamniadio and Saly for all accredited stakeholders. All YOG hotels are connected to the YOG transport network.

As accommodation capacity is very limited in Diamniadio, rooms have been allocated to accredited press in both Dakar and Saly to cover accredited press needs. Diamniadio may be accessed via the Train Régional Express (TER) from Dakar and by Common Shuttle Service (CSS) from Saly. Hotels in Dakar Plateau are closest to the train station in Dakar. The hotel allocation for accredited press can be found in section 6 and information on all accredited press hotels in section 7 of this guide, for your information. You will find full hotel factsheets on the Accommodation Management System (AMS).

2.1 ACCOMMODATION PERIOD

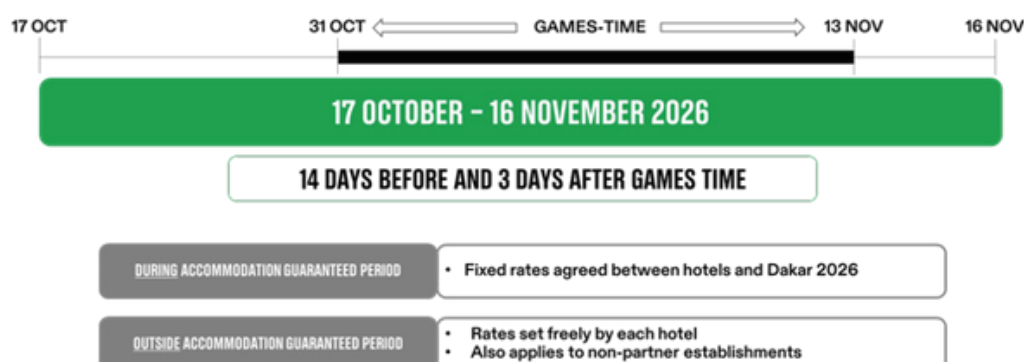

The “Accommodation Period” covers up to fourteen (14) nights prior to the Games’ opening ceremony and up to three (3) nights following the closing ceremony including the night of the closing event. This period runs from 17 October 2026 to 16 November 2026. During the accommodation period, rates have been agreed between Dakar 2026 and each hotel.

There is no minimum stay required.

Accommodation requests will be made directly through the Dakar 2026 Accommodation Management System (AMS) using the following link: booking.dakar2026.org.

In regards of the specificity of media a specific booking process has been implemented only for them. The AMS will reopen exclusively for accredited press from 13 April 2026 to 17 July 2026. Media will be required to complete the online User Access Acceptance Form (UAAF) to request access to the AMS and nominate a designated representative authorised to act on behalf of the Media for contractual obligations, including payment. Confirmation of acceptance of the AMS Terms and Conditions will also be required to ensure access to the system.

Once completed, the designated representative will receive an email with the Media personal username and password which will allow full access to the AMS.

Dakar 2026 will send an invitation to Media with the link of the official website for hotel bookings of Dakar 2026.

Each accredited press will need to request access from the AMS in order to make reservations online. Then, they will receive an email with login and password to start using the AMS.

After 17 July 2026, accredited press will have access to see their reservations and rooming list however no further modifications and cancellations will be possible.

They will be able to book rooms only within their allocated quota. Dakar 2026 will monitor the number of rooms reserved by each accredited press.

If bookings exceed the allocated quota of the accredited press, Dakar 2026 will contact the accredited press to reduce the bookings accordingly before its confirmation.

Once the AMS (booking platform) closes on 17 July 2026, Dakar 2026 will not be able to guarantee specific rooms for accredited press that did not book on time. However, they will assist them in finding suitable alternative accommodation.
